

DATE:	June 11, 2026
SUBJECT:	2025-26 Bus Collision Reporting
CATEGORY:	School Safety and Security
NEXT STEPS:	School systems should complete the Bus Collision Reporting survey

Overview

The Texas Education Agency conducts an annual survey to collect information on collisions involving school buses operated or contracted for use by school systems. This To the Administrator Addressed communication provides information regarding the annual data collection.

SY2025-2026 Bus Collision Reporting

In accordance with [Texas Education Code, §34.015](#), school systems shall report collisions in which their buses are involved to the agency on an annual basis. School systems must report the following information for each collision:

- Type of bus involved
- Whether the bus was equipped with seat belts
- Number of students and adults involved in the collision
- Number and types of injuries that were sustained by passengers
- Whether injured passengers were wearing seat belts at the time of the accident and, if so, the type

The survey is open for reporting from Thursday, June 11, 2026, until 11:59 p.m. on Friday, July 31, 2026.

If your school system does not provide bus services or if no collisions occurred during the school year, please choose the appropriate response, and you will be redirected to the end of the survey.
